<b>9.5 Million - TOTAL LIST</b>	

**DESCRIPTION**

Promotionally responsive households with children: "Huggies", a recognized and trusted leader in the children's product market, makes its database available. These households have been generated from a variety of sources that include refund/rebate redemptions, coupon redemptions, premium offers and customer 800# response calls new mothers and fathers.

The Huggies Happy Babies Database is made up of parents of young children. The monthly Hotline consists of households with either an expecting mother or a child 0-36 months of age. The master file contains records of children 0-6 years of age.

This file is ideal for marketing to parents some offers such as magazine subscriptions, retail store outlets, financial planning services (mutual funds, insurance, 529 marketers, etc.), book clubs for children, educational merchandise, formula companies and other marketers of baby and new parent related offers or other offers to moms and dads or new homeowners.
